## EDUCATION

**Wilfrid Laurier University**

*Bachelor of Computer Science - Option in Sustainability*

**Cumulative GPA 3.7/4.0**

• **Relevant Courses:** Object-Oriented Programming, Digital Electronics, Data Structures I, Intro to Computer Science, Environment Society and Sustainability, Perspectives on Sustainability

**Waterloo, Canada**

**Graduation April 2026 •**

## WORK EXPERIENCE & RELEVANT EXTRACURRICULAR EXPERIENCE

**City of Mississauga**

*Parks and Forestry - Malton Depot*

**Mississauga, ON**

May 2023 - Sept 2023

- Our department is responsible for the maintenance and upkeep of the parks within the Malton region
- My responsibilities encompass a range of tasks, including collection of litter, landscaping garden beds, and implementing measures to guarantee the cleanliness and safety of Malton's parks

**Metro**

*Meat Clerk*

**Mississauga, ON**

August 2020 - May 2023

- I primarily worked the evening shift independently as I oversaw the departmental operations and diligently ensured the proper closure of the department at the end of my shifts
- I have received comprehensive training in the proper handling and utilization of the cleaning chemicals necessary for the closure and sanitation of the meat department
- I possess versatile cross-training in multiple departments, including seafood, cash and bakery, enabling me to provide coverage when necessary. Additionally, I have received training in the appropriate handling of raw meat, proficient operation of butchery machinery and adept customer service skills

**Mississauga North Baseball Association**

*Tournament Coordinator*

**Mississauga, ON**

July, 2019

- I helped with the execution of a baseball tournament on behalf of the Mississauga North Baseball Association
- I had to ensure the diamonds were set-up, the umpires were paid, the teams had enough balls, equipment and generally made sure the tournament ran smoothly

**Play and Learn Children's Center**

*Teachers Assistant*

**Mississauga, ON**

June, 2019

- I spent 2 weeks volunteering at a local daycare centre.
- I worked with children aged between 5-12, where I helped the teachers entertain the children, read books to them, organized activities and anything else the teachers needed help with
